

PTA

POSITIVE • THOUGHT • ACTION

THE PTA IS AN INTEGRAL PART OF SCHOOL LIFE.

So far 2016 has been a very successful year with the following contributions made towards your child's school life.

In this school year we have donated:

- Class funds (**£200** per school year, **£1,400** in total) - provides things like games and toys for wet play
- School trips (**£300** per school year, **£2,100** in total) subsidises coaches etc for school trips, reducing costs to parents.
- The new stage - approx half the cost - **£5,400**
- Carpet and table in the new "octagon" classroom - **£1,100**
- Subsidised Music for Life activity - **£1,560**
- Donated gifts for teachers to take to partner school in Kenya - **£200**

That's just under a **WHOPPING**

£12,000

that has been raised & the pupils have benefited from.

Your school needs you

YOU

In order for it to continue its success, we need volunteers to contribute. This doesn't mean you have to become a fully fledged member or attend any meetings, all we are asking for is half an hour or an hour of your time to help out at any of the future events we organise. If you would like to get involved please email me (Kate Axford)- katenicholas121@hotmail.com or catch me on the playground.
