## Loving Learning- Ask your child about:

Our super reception children have been reading the Supertato book, and have created their very own vegetable superheroes. Year 1 have worked on their poetry skills. Year 2 developed their learning on fractions. What a treat, Year 3 visited the sweet shop in maths. In science Year 4 designed, made and tested switches. Based on our respect for other cultures, year 5 redesigned Baghdad to what they believed it would look like during the golden age of Islam. Year 6 worked hard during their mock SAT's.
