Loving Learning- Ask your child about:

Welcome back! We have been as busy as ever during our first week back. Reception held a democratic vote to decide what the role play area should be turned into next, a vets or a pet shop. They have been discussing pets, farm animals and wild animals. Year 1 had fun doing an exciting “Congleton here we come” treasure hunt around school to find Congleton land marks. Year 2 planned and held a business meeting with Mrs Aston and Mrs Harrison to discuss new playground equipment, the minute takers created their very own short hand. They will continue to elaborate on this with some persuasive writing. Exercise and the effect on their bodies were looked at during science in year 3. Year 4 helped the bus driver to plot the journey to Ironbridge, they then set off and had a fabulous adventure. Year 5 have been writing some scary stories set near the Mississippi river. Year 6 have been doing some fantastic work on reflection and have recreated the digestive system in a science experiment.
