## Loving Learning- Ask your child about:

Our reception classes have been learning about 3d shapes, year 1 have been working hard on multiplication and using all types of punctuation in their Bog Baby writing. Year 2 have done so well concentrating in their SAT tests, they have also been practicing for the crowning of the May King and Queen also. During art Year 3 developed their control of techniques in colour washing. Year 4 created life size Roman soldiers. Year 5 experimented with solids and liquids in science. When not sitting their SAT tests the Year 6 spent some much needed time having fun and releasing energy.

<b>Friday</b>	Multiflex Tennis	3.30pm-4.30pm
	Art Club KS2	3.30pm-4.45pm

## Hall of Fame

Our Early Years children have all been Stars of the week, Freddie Garnsey for amazing maths work and Ellie Cartwright for making super progress with reading.

Throughout the week the midday assistants have been noting children who showed exemplary manners during lunch times. The children were Callum Watson, Carla Smith, Lewis Robinson and Daisy Intihar. These nominated children were awarded a VIP lunch.

## Notices

We could not be prouder of how the children have worked during SAT's week. The years 2&6 have all done a tremendous job. We are also very proud of the rest of the school as they have all been very respectful of others during this time. Well done team Mossley!

We look forward to seeing you later at our Summer Fair. The children were looking great during the rehearsal earlier.

Thank you so much for your understanding while the building of the new front entrance and offices has been done. I am sure that you will agree it looks amazing! We will use the infant path whilst the site is being cleared of all equipment etc.
