

30/06/2017

Loving Learning- Ask your child about:

Reception went to Africa to compare the environments. Year 1 compared old and current Congleton. Year 2 have been writing reports on Christopher Wren. Year 3 made catapults during science. Year 4 in art created exploding volcanoes. During science Year 5 created gas and year 6 spent some time working on their end of year show.

		& Cheerleading	

Hall of Fame

Our Early Years children have all been Stars of the week but the 2 who stood out this week were Callum French for his amazing all around learning this week and Riley Hamnett and Sophie Austen for their amazing chatty chum work.

Throughout the week the midday assistants have been noting children who showed exemplary manners during lunch times. The children were Neesha Stingemore, Ted Keen, Elliot Browne and Zane Morgan. These nominated children were awarded a VIP lunch.

Notices

From September school meal prices will increase to £2.20

Please be careful when parking and driving out of Roseville Drive due to the limited pavement.

Thank you to everyone who has brought items in for the Year 6 Stepping into business, the children really appreciate it.

Congratulations to Miss Hughes and her team of Eco council members; who have worked tirelessly to ensure that we qualified as a Green Flag school.
