Loving Learning- Ask your child about:

Reception enjoyed the Aliens love underpants book. Year 1 learnt all about Christian symbols. Year 2 wrote instructions for their sand buggies. Year 3 went on a local walk to study the topography of the land. Year 4 worked on setting descriptions before, during and after the eruptions of Pompeii. Year 5 explored how Britain celebrates art and its diversity and the year 6 children put the final touches to their stepping into business products

We are so proud of the Ks2 children, their production was amazing!!
