## Loving Learning- Ask your child about:

Reception have been doing some really tricky maths addition and tricky word sounds. Year 1 had a great trip to Stafford Castle as part of their castle topic. Year 2 spent time discussing what makes a good friend and what friendship is. Year 3 did some weaving. Year 4 measured up in maths. Year 5 had fun learning bike safety during their Bikeability sessions and Year 6 focused on the moon landing as part of their topic on world history since 1066.

## Notices

Well done to all the children who took part in the rugby tournament.

If you need to come into school for any reason in the mornings or after school please ensure that you enter via the school office so that you can sign in.

Thank you to all of the parents who have supported the Boundary Lane one way system. We have seen some parents not supporting this. We really would like to encourage you to do so!

Everyone made a real effort for Children in Need and all looked great. They managed to raise a massive £779.59. Thank you to everyone who donated and provided cakes.
