**Loving Learning- Ask your child about:**

Reception have been learning all about Goldilocks, they have been measuring and estimating, storytelling and building bear chairs.

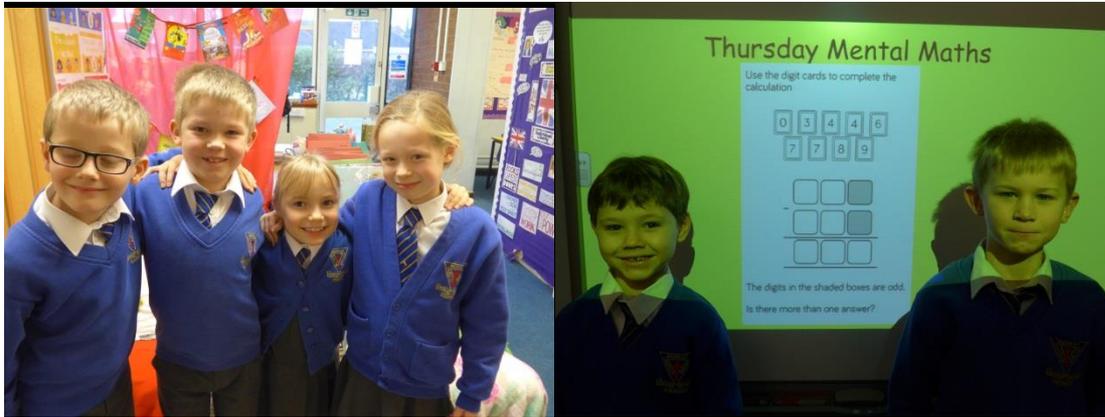

Year 1 spent time testing waterproof materials and discussing fair testing. They were also working on subtraction using the part/part whole method.

Year 2 had great fun retelling the story of the Tiger who came to tea using their puppets.

Year 3 have been discussing how to be a good friend, and what makes a good playground friend. They also worked out some tricky mental maths, can you answer this?

Year 4 have worked on apostrophes, times tables and been identifying European countries using their flags as a key.

Year 5 discussed what they know about forces and started work on their silhouettes.

Year 6 rocked it in music creating the sound of 3 birds and started to look at tectonic plates in geography.
