

School Safety Council
Meeting Minutes
held on Monday 15th October 2018
at Mossley CofE Primary School

Present: JW, EC, EN, LB, DC, HR, KH, SB

Mrs Harrison (clerk)

Apologies: None

Item	Discussion	Actions
1.	Welcome Mrs Harrison welcomed everyone to the first meeting of our newly elected school safety council.	
2.	Minutes of Previous Meeting & Any Matters Arising None as this is the first meeting (we had met previously to discuss what we were going to do and find out)	
3.	Group name- suggestions were given – Super Safety Society, Super Safety Officers, Safety, Safety Heroes. The group voted and decided unanimously on “Super Safety Council”	
4.	Places where class / children feel safe around school- with friends, in classrooms, playground, hall, toilets, near teachers.	
5.	Places where class/ children feel don't feel safe – playground, toilets (in case of a fire), computer suite (because of the internet), car park (at the end of the day), end of the day when can't find parents. The group discussed these issues and Mrs Harrison suggested they went away to think about ways in which we could help to make these safer, how we could help to let people know what we were going to do.	Children to come back to the next meeting with ideas as to what we could do to address these issues.
6.	Mrs Harrison discussed a letter (via email) school had received from a Boundary Lane resident. The resident was concerned by the traffic during peak times (am and pm) They enquired as to what had happened since the previous safety council had set up the one way system The safety council agreed that they needed to view the road at a peak time to be able to decide what they could do to help. The safety council will observe the road on Thursday 18 th October @ 8.15am. Afterwards they will consider what they could to do to help to make the road safer.	Mrs Harrison to email parents.
7.	Any Other Business	
DONM	Thursday 18th October 1.15pm	All: For information

Meeting ended at 3.30pm
