

Helping Hands Across the World

Help us extend a hand of Friendship to Australia in their time of Need on Friday 17th January

Join us in raising funds for Clifton Creek School which has been totally destroyed in the fires.

Our aim is to raise as much money as possible with the children covering a giant map of Australia with coins. Please send in the money (minimum suggested donation £1) on the day so your child can help fill the map. It will be **non-uniform** day in exchange for **donations**. The children can dress in anything related to Australia, including Australian colours. Our whole day will be completed in reverse, with fun elements whilst teaching the children about this tragic time.
