Our Christian Vision

At Mossley we work hard to embrace our Christian foundations, provide many rich opportunities for children to develop as individuals within a stimulating and safe environment. Our warm, caring ethos incorporates our Christian values within the everyday life of our school. We believe that every child should thrive and be the person they are fully capable of being.

Every person in our school community has been made in the image of God and is loved unconditionally by God. Everyone is equal and we treat each other with dignity and respect. Our school is a place where everyone should be able to flourish in a loving and hospitable community. Each person in all their unique difference should be able to thrive, irrespective of physical appearance, gender, race, religion, ethnicity, socioeconomic background, academic ability, disability, sexual orientation or gender identity. We are committed to promoting the understanding of the principles and practices of equality – treating all members of our school community as individuals, according to their needs, with an awareness of our diverse society and appreciating the value of difference. We actively seek to challenge discrimination and we promote an anti-bullying stance which makes clear the unacceptability of racist, disablist and homophobic, biphobic and transphobic bullying and language.

- Marriage and Civil Partnership (for employees)

In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties. These are to:

- Publish equality information – to demonstrate compliance with the general duty across its functions

We will not publish any information that can specifically identify any child

- Prepare and publish equality objectives

To do this we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a school. This will include the following functions:

- Admissions
- Attendance
- Attainment
- Exclusions
- Prejudice related incidents

Our objectives will detail how we will ensure equality is applied to the services listed above however where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

In fulfilling our legal obligations we will:

- Recognise and respect diversity
