Ethos and Vision

At Mossley we work hard to embrace our Christian foundations, provide many rich opportunities for children to develop as individuals within a stimulating and safe environment. Our warm, caring ethos incorporates our Christian values within the everyday life of our school. We believe that every child should thrive and be the person they are fully capable of being.

Our Christian Values At Mossley Primary School, we all follow these Christian values:

Compassion

- We teach the children to show compassion and empathy towards those to others.
- We encourage the children to appreciate the good things they have in their lives with gratitude
- We thank God in our worship for the good things he gives us and for his love to each one of us.

Hope

- We encourage children to be hopeful, to think positively
- We work hard to bring hope to children whose lives are difficult at the moment.
- We tell children about the hope we have in Jesus.

Peace

- We encourage children to be peace makers and peace keepers
- We help children learn how to get over arguments quickly and fairly
- We make sure we give our children times when they can be peaceful and calm as well as times that are more noisy and busy.

Endurance

- We encourage the children to keep going even when things are tough.
- We ensure that the work we give children is challenging enough that all children have opportunities to develop persistence –we want all children to experience success.....but also to appreciate that sometimes success involves struggle.
- We tell the children that God's love for them endures for ever...whatever they.

Self-control

- We encourage the children to always be in control of their thoughts, emotions, and actions and to grow in understanding of themselves
- We encourage the children to make the correct choices and guide them each day in the right direction ensuring they think before they act.
- We tell the children the ways in which God showed self-control and how they can use his guidance to help them to do the same.

Kindness

- We encourage the children to always be considerate towards each other and explain the importance of doing this.
- We discuss with the children the importance of being kind to everyone and to appreciate acts of kindness shown towards them.
- We ensure the children are aware of the ways in which Jesus showed kindness to others in the Bible.

Respect

- We teach the children to show respect to each other at all times and to those around them regardless of that person's beliefs, religion or background.
- We encourage the children to take care of the world and to always treat it respectfully
- We teach children that respect comes in many forms and is important to people of all ages and walks of life.
