

Police Cadets

A number of Yr 6 children have recently started their police cadet journey.

Throughout this process, children are selected to work with the police on a weekly basis and gain an understanding of the job they do and their role within our local community.

The children have the chance to work on recognizing registration plates, learning their phonetic alphabet and learning how to stay safe on the roads.

The children that take part thoroughly enjoy their journey and we can't wait to see what amazing things this year's cohort get up to!
