

Bags of Joy

During December, Yr 6 were invited to take part in the New Life Church 'Bags of Joy' initiative. A visitor from the church introduced us to the scheme and explained that the Bags of Joy are bags that contain a selection of festive items that are given to families in need at Christmas time.

The children helped to wrap up items to go in the bags and also designed and made a selection of Christmas cards to be given to the families. The Year 6 children took the time to reflect on how lucky they are and shared a prayer of hope for those less fortunate.
