

KS2 children – Christmas

Children who have lessons with Music for life, were given the opportunity to perform at our KS2 Christmas Carol Concert.

Children from year 3 to year 6 played a variety of music to an audience, on their instruments. The musicians enjoyed the chance to demonstrate their skill on guitars, violins, pianos and even a clarinet!

For many of our children, this is the first time they have played in front of their peers and an audience. We are so proud of them!
