

Police Visit

**Cheshire
Constabulary**

The children in Reception were so lucky to have a visit from our local police officers.

We learnt all about what police officers do to keep us safe including helping us if we are lost, fighting crime and attending local events. We loved trying on the different items of uniform and even speaking into the walkie talkies.

We asked the officers lots of questions and as a really special treat we were able to go inside a police car and in the back of the police van.

PEOPLE WHO HELP US!
