

Admissions Policy for academic year 2023/24

Mossley Primary school is an Academy and the Governing Body is the admissions authority. The admissions policy has been designed to comply with the School Admissions Code 2014, in line with the latest code published and all relevant legislation, including that on infant class sizes and equal opportunities.

1) **Admissions to the Reception Year**

Subject to the criteria set out below, children will be admitted in the September following their fourth birthday. The academy has an agreed admission number (the published admission number or PAN) of 60 pupils for entry in reception. The academy will accordingly admit up to 60 pupils.

Places will be allocated by the Governing Body on the basis of applications received through the Cheshire East admissions system. This allows parents/guardians to apply for entry to any Cheshire East primary school by means of the Cheshire East Primary School Common Application Form available in the "Applying for school places" document published by Cheshire East Council (CEC) and on-line via the CEC website.

The school will offer places on a full time basis from the start of the Autumn Term.

2) **"In-Year" Admissions**

In-year admissions will be handled by the academy.

Oversubscription Criteria for all types of admissions.

Once children with statements of special educational need / new EHCP naming Mossley Primary School have been admitted then places are allocated in accordance with the order of the following oversubscription rules:

1. **"Looked after children" and children who were previously "looked after"**. A "looked after child" is a child who is in the care of a local authority or being provided with accommodation by a local authority (as defined in section 22 of the Children Act 1989) at the time of making the application to school. Children previously "looked after" are children who were looked after as defined above, but immediately after being "looked after" became subject to an adoption, 'child arrangements', or special guardianship order. An adoption order is an order under section 46 of the Adoption and Children act 2002. Including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted". A child is regarded as having been in state care outside of England if they were in the care of, or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
2. **Siblings**. Pupils with brothers or sisters step-brothers or step-sisters, foster brother or sisters, half-brother or half-sisters, adopted brothers or adopted sisters

living together as part of one household, already attending the preferred school (in years reception through to year 5) and expected to continue at the school in the following school year (i.e. at the time of admission)

3. **Children of staff at the school.** Priority will be given to children of full-time members of staff who have been employed at the school for two or more years (at the time of application) and for new staff employed to fill a difficult to recruit position.
4. **Children resident within the designated catchment area of the school.** Children will be classed within this criterion if they and their parents/carers are resident within the area served by the school. (catchment as referred to on Cheshire East Council website)
5. **Pupils living nearest to the school.** Measured using an Ordnance Survey address –point system which measures straight line distances in miles from the address point of the place of residence to the address point of the school.

An admissions panel including two governors not employed by the academy will apply the oversubscription criteria.

Right of Appeal:

In the event of an unsuccessful application, parents have the right to an independent appeals panel against non-admission. Parents are entitled to a statutory minimum of 20 school days from the date of decision letter to appeal. Appeal forms can be requested from the academy. Where an in year application and subsequent appeal are unsuccessful the Admissions Authority will not consider a repeat application within the same academic year unless there has been a relevant and significant change of circumstances relating to the application, or a place has become available in school.

Tie-breaker:

Where we have to choose between two or more children in the same category as each other, then the nearer to the school the child lives when measured using an Ordnance Survey address –point system which measures straight line distances in miles from the address point of the place of residence to the address point of the school.

Definitive tie-breaker:

In the event of there still being a tie, there will be a random ballot using an electronic random number generator.

Key Dates;

These can be found on the Cheshire East website.

Late Applications;

These are dealt with through the 'co-ordinated Scheme' and can be viewed on the Cheshire East website.

The academy will hold a waiting list until 31st December and parents will be contacted if a place becomes available.

Applications from outside of catchment are welcomed and catchment shall only be used in the event of oversubscription.

Further information can be found in the “Applying for school places” document produced by Cheshire East.

Passed by Governors February 2022
